1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Tega Cay Water Co, and have been for the last 23 years. My water quality and service from this company has been sub-par. I don't believe they need or deserve any raise! I haven't been able to drink my water for some 15-18 years, and I am worried to even take a shower with this water. It's overall safety has been in question now for years. I pay a fortune for me as I am retired on a fixed income.

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

A 40 - 55 % increase in my water (regardless of the fact the quality of my water is barely drinkable) seems unbelievable! This Company has petitioned you on many occasions over the years, and as I recall, you have granted most of them. PLEASE, I beg of you, do not grant any increase to this company without careful deliberation + consideration

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony?

I am a senior citizen, so making an evening trip to Columbia would be a hardship. hopefully, some of my younger neighbors will be making the trip. This issue is of critical importance to me + my entire neighborhood.
